

REMARKS

Consideration of this Third Amendment After Final Rejection is earnestly solicited. This Third Amendment is responsive to the Final Office Action of October 26, 2006, the Examiner's most helpful comments received in the Advisory Action dated December 8, 2006, wherein Applicant's Response to the Final Office Action Dated October 26, 2006 was not entered, and the Advisory Action dated January 16, 2007.

Claims 37 and 38 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. Applicants have amended Claims 37 and 38 as suggested by the Examiner.

Applicant notes with appreciation that, if entered the reply has overcome the rejection of Claims 37-38 under 35 U.S.C. § 112, second paragraph and the new matter rejection of Claims 34-38 under 35 U.S.C. § 112, first paragraph.

In the Advisory Action of January 16, 2007, refusing entry of the "Second Response to Final Office Action Dated October 26, 2006, the Examiner stated:

[t]he Examiner must again note that as was stated in the Advisory Action mailed on December 8, 2006 that "it is also noted that if this phrase (i.e., the phrase cancelled from the next to last line of independent claim 35) were to be eliminated from claim 35 it would...activate the prior art rejection that was previously in the case, and thus claims 35-38 would not be allowable on grounds of (being rejected by) prior art."

Applicant has amended Claim 35 to include the "subject" phrase. It is thus respectfully submitted that Claims 35-38 are in condition for allowance.

There being no further rejections to the claims, it is respectfully submitted that this Amendment be entered and Claims 30-38 be allowed.

Respectfully submitted,
